*As licensed veterinarians, we are required to uphold the laws set forth by the North Carolina Veterinary Medical Board. These laws are in place for the protection and well-being of the patients we are responsible for.*

*North Carolina Veterinary Medical Board law requires licensed veterinarians to perform an examination within 365 days before any vaccine can be administered, before any medical advice can be given or before any medication can be prescribed. Heartworm prevention and prescription foods are considered prescription medications.*

*If you have any questions we will be happy to answer them for you or you can contact the NC Veterinary Medical Board at 919-854-5601.*

*Thank you.*
